

## § 263.2

## 45 CFR Ch. II (10–1–00 Edition)

### § 263.2 What kinds of State expenditures count toward meeting a State's basic MOE expenditure requirement?

(a) Expenditures of State funds in TANF or separate State programs may count if they are made for the following types of benefits or services:

(1) Cash assistance, including the State's share of the assigned child support collection that is distributed to the family, and disregarded in determining eligibility for, and amount of the TANF assistance payment;

(2) Child care assistance (see § 263.3);

(3) Education activities designed to increase self-sufficiency, job training, and work (see § 263.4);

(4) Any other use of funds allowable under section 404(a)(1) of the Act (such as nonmedical treatment services for alcohol and drug abuse and some medical treatment services, provided that the State has not commingled its MOE funds with Federal TANF funds to pay for the services), if consistent with the goals at § 260.20 of this chapter; and

(5)(i) Administrative costs for activities listed in paragraphs (a)(1) through (a)(4) of this section, not to exceed 15 percent of the total amount of countable expenditures for the fiscal year.

(ii) Costs for information technology and computerization needed for tracking or monitoring required by or under part IV-A of the Act do not count towards the limit in paragraph (5)(i) of this section, even if they fall within the definition of "administrative costs."

(A) This exclusion covers the costs for salaries and benefits of staff who develop, maintain, support or operate the portions of information technology or computer systems used for tracking and monitoring.

(B) It also covers the costs of contracts for development, maintenance, support, or operation of those portions of information technology or computer systems used for tracking or monitoring.

(b) The benefits or services listed under paragraph (a) of this section count only if they have been provided to or on behalf of eligible families. An "eligible family," as defined by the State, must:

(1) Be comprised of citizens or aliens who:

(i) Are eligible for TANF assistance;

(ii) Would be eligible for TANF assistance, but for the time limit on the receipt of federally funded assistance; or

(iii) Are lawfully present in the United States and would be eligible for assistance, but for the application of title IV of PRWORA;

(2) Include a child living with a custodial parent or other adult caretaker relative (or consist of a pregnant individual); and

(3) Be financially eligible according to the appropriate income and resource (when applicable) standards established by the State and contained in its TANF plan.

(c) Benefits or services listed under paragraph (a) of this section provided to a family that meets the criteria under paragraphs (b)(1) through (b)(3) of this section, but who became ineligible solely due to the time limitation given under § 264.1 of this chapter, may also count.

(d) Expenditures for the benefits or services listed under paragraph (a) of this section count whether or not the benefit or service meets the definition of assistance under § 260.31 of this chapter. Further, families that meet the criteria in paragraphs (b)(2) and (b)(3) of this section are considered to be eligible for TANF assistance for the purposes of paragraph (b)(1)(i) of this section.

(e)(1) The expenditures for benefits or services in State-funded programs listed under paragraph (a) of this section count only if they also meet the requirements of § 263.5.

(2) Expenditures that fall within the prohibitions in § 263.6 do not count.

### § 263.3 When do child care expenditures count?

(a) State funds expended to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts) may also count as basic MOE expenditures up to the State's child care MOE amount that must be expended to qualify for CCDF matching funds.

(b) Child care expenditures that have not been used to meet the requirements of the CCDF Matching Fund (i.e., as match or MOE amounts), or any other Federal child care program, may also count as basic MOE expenditures. The limit described in paragraph (a) of this section does not apply.

(c) The child care expenditures described in paragraphs (a) and (b) of this section must be made to, or on behalf of, eligible families, as defined in § 263.2(b).

**§ 263.4 When do educational expenditures count?**

(a) Expenditures for educational activities or services count if:

(1) They are provided to eligible families (as defined in § 263.2(b)) to increase self-sufficiency, job training, and work; and

(2) They are not generally available to other residents of the State without cost and without regard to their income.

(b) Expenditures on behalf of eligible families for educational services or activities provided through the public education system do not count unless they meet the requirements under paragraph (a) of this section.

**§ 263.5 When do expenditures in State-funded programs count?**

(a) If a current State or local program also operated in FY 1995, and expenditures in this program would have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for AFDC recipients, At-Risk Child Care, or Transitional Child Care programs, then current fiscal year expenditures in this program count in their entirety, provided that the State has met all requirements under § 263.2.

(b) If a current State or local program also operated in FY 1995, and expenditures in this program would not have been previously authorized and allowable under the former AFDC, JOBS, Emergency Assistance, Child Care for AFDC recipients, At-Risk Child Care, or Transitional Child Care programs, then countable expenditures are limited to the amount by which total current fiscal year expenditures that meet the requirements under § 263.2 exceed

total State expenditures in the program during FY 1995.

**§ 263.6 What kinds of expenditures do not count?**

The following kinds of expenditures do not count:

(a) Expenditures of funds that originated with the Federal government;

(b) State expenditures under the Medicaid program under title XIX of the Act;

(c) Expenditures that a State makes as a condition of receiving Federal funds under another program, except as provided under § 263.3;

(d) Expenditures that a State made in a prior fiscal year;

(e) Expenditures that a State uses to match Federal Welfare-to-Work funds provided under section 403(a)(5) of the Act; and

(f) Expenditures that a State makes in the TANF program to replace the reductions in the SFAG as a result of penalties, pursuant to § 264.50 of this chapter.

**§ 263.8 What happens if a State fails to meet the basic MOE requirement?**

(a) If any State fails to meet its basic MOE requirement for any fiscal year, then we will reduce dollar-for-dollar the amount of the SFAG payable to the State for the following fiscal year.

(b) If a State fails to meet its basic MOE requirement for any fiscal year, and the State received a WtW formula grant under section 403(a)(5)(A) of the Act for the same fiscal year, we will also reduce the amount of the SFAG payable to the State for the following fiscal year by the amount of the WtW formula grant paid to the State.

**§ 263.9 May a State avoid a penalty for failing to meet the basic MOE requirement through reasonable cause or corrective compliance?**

No. The reasonable cause and corrective compliance provisions at §§ 262.4, 262.5, and 262.6 of this chapter do not apply to the penalties in § 263.8.
